

Nina Finkler
AUTISM
CONSULTING

Get ready for the summer!

Let Nina Finkler Autism Consulting, LLC help your campers and staff have the best summer ever!

As a BCBA with 25 years experience working in the autism field, I can provide the training your staff needs to help them better understand and assist their campers with autism/behavioral issues. Since many high functioning kids on the spectrum attend regular camp without an aide, staff are often left to deal with behavior and social difficulties. I can provide the training they need to ease the transition from school life to camp life.

Schedule your one-hour presentation

Understanding Your Camper with Autism Spectrum Disorder

and make this the best summer ever for your campers and staff!

Call (609) 608-5061 or email nfautismconsulting@gmail.com

Nina Finkler, M.Ed., LDT/C, BCBA

After presentation your camp program will receive a certificate of completion.
